

CONSIGNMENT GUIDELINES

Before Arriving at the store:

- Clean and assess your item(s) for wear, defects, and missing parts. Items must be “gently used” and not at the end of their lifetime in order to be considered for consignment. Any missing parts, heavy wear, or dirt will disqualify an item from being consigned.
- You will be limited to 10 items per intake appointment.
- Use the Calendly link on our website to schedule your item intake appointment.
- Email Consignment@trailcreekoutfitters.com with any questions you may have.
- Download and fill in the Item Intake form. In addition to some basic details about your items you will be asked for what you would consider an ideal selling price.
- It is useful to provide documentation to help ascertain the initial selling price, such as original receipt or like item pricing.
- The assigned selling price will not exceed 50% of the current retail price with rare exception.

Consignment Intake Day:

- We will create a vendor account for you and link it with your Trail Creek Outfitters customer account.
- You and our helpful staff will have a dialogue to establish the selling price for your item. In general, a good rule of thumb is to set the price at 40-50% of the item's current retail price, for items in excellent condition, plus or minus some value dependent on wear and tear.
- Brand new items with tags must be discounted a minimum of 30% off of their current retail price.
- Note: If you are consigning something like a tent, it will need to be set up in order to fully assess its condition.
- You will decide at this time if you wish to receive store credit (75% of the sale price) or a check (60% of the sale price).
- You will sign a contract agreeing to our consignment policies.
- Articles will be put on our consignment floor for sale on the 1st and 15th of the month.

After Consignment:

- Your items will be tagged and merchandised on the consignment floor.
- If your items do not sell after 90 days the sale price will reduce by 20%.
- After 120 days you will be notified of all unsold items.
- You need to collect the items, or they will be donated to a local charity.
- You will be notified bi-weekly by email if sold items with a subsequent credit to your customer account or a mailed check. Your store credit can be used at both Trail Creek Outfitters' store locations (Glen Mills and Kennett) and will never expire.
